Voted 4 in favor; 0 opposed
Discussion: Director of Leased Housing, Ann Borkowski, explained that this change in removing the Congregate Housing from the CHAMP program and putting the waitlist back into the hands of the LHA should help reduce the length of lease up time. The change in the priority system in which granting a Priority 1 to those applicants who have been given a MAT (Multi-disciplinary Assessment Team) recommendation will further vet out those who do not qualify for Congregate Housing.

**HUD – Expedited Waivers for the Housing Choice Voucher Program (PIH 2021-34) and Housing Choice Voucher (HCV) program Payment Standard:** Commissioner Mackin motioned and
Commissioner Mason seconded a motion to accept the FY Payment Standards for the HCV program. The new payment standard is available through the use of the expedited waiver which allows payment standards to increase from 111% to 120% of Fair Market Value.

22-11 Voted 4 in favor; 0 opposed
Discussion: The FY22 Fair Market Rents (FMR) were lowered due to the reclassification of Franklin County being placed in the Springfield Metropolitan Area. Utilizing the Expedited Waiver, GHA was able to raise the Payment Standard from 111% to 120% of the FMR. The other Expedited Waiver allows GHA to waive the application of SEMAP.

I called Josh Cayea from the above company at 11:40 A.M on 2/8/22 to assure that the quote/bid/provided on the 4 boilers and hot water units took into consideration the current prevailing wage rates. Mr. Cayea assured me that it did.
