Tenant Certification Form

Required Federal Lead Warning Statement
Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. I (owner/managing agent) certify that I provided the Tenant Lead Law Notification/ Tenant Certification Form and any existing Lead Law documents to the tenant, but the tenant refused to sign this certification. The tenant gave the following reason:

The Massachusetts Lead Law prohibits rental discrimination, including refusing to rent to families with children or evicting families with children because of lead paint.
